Present-

1. Introductions- Welcome Lydia & ?!

2. ELA Regents

a. Will will get it to 10th grade.

3. Graduation Rate

- [SAR](#)

Questions

There is concern over the number of students that received credit for exams under special appeal. This will end in August 2023.

4. Calculation of Final Averages

- No longer averaging in regents scores
- Teachers by team will decide common final assessment or project to count in final average (part of 4th quarter grade, not ½ of grade)
- Could be oral report, project, presentation etc. each team will be consistent
- This will truly show what student know

Questions

- Regents scores on transcripts - All regents attempts show up on transcripts (failed/passed)
- parents/students only want to see the high score or passing score
- only going to report highest score moving forward.

5. District Strategic Coherence Council - Next Strategic Coherence Plan. Meeting TBD

6. Schedule Change? Discussions have begun.

- a. Here are some [potential schedules](#) that we are looking at...
- b. What are your thoughts regarding pros and cons
- c. Team surprised by the number of students in lunch periods and understand why change may be needed. They would like us to continue to do research and see what might work best for our building. We are trying to find something that will meet the needs of adding lunch bells as well as preserving PLT time for teachers.

7. Other

Academic awards ceremony last year

-awards given out "girl" "boy" scholarships

Should be more inclusive "they"

We will be reaching out to individual schools regarding this.

-graduation walk - date and LARGER NAME TAGS....

Name tags so elementary staff recognizes students

- Handicap parking during graduation
 - Have a plan for this year

-Can we print senior pictures on banner and display in community

- parents want lawn signs for seniors back

Survey students/families
